### **St. Luke's Appoints Director of Business Development**

**Boise, ID (December 27, 2007)** – Edward Castledine has been appointed as the Director of Business Development for St. Luke's Boise and St. Luke's Meridian Medical Centers. Since early 2007, Ed has worked with St. Luke's in a consulting role, supporting the development and continuance of physician relationships and business planning. Ed will continue to focus on these initiatives in his new position.

Ed is a native of Nampa; and has been working in our community as a hospital administrator/CEO, private consultant, investment broker, land entrepreneur, and consultant with physician practice groups.
