ST. LUKE'S MERIDIAN ANNOUNCES NEW DIRECTOR OF CRITICAL CARE AND TELEMETRY UNIT

Boise, ID (October 4, 2007) – Deb Compton, RN, has accepted a new job as Director of St. Luke's Meridian Critical Care and Telemetry Unit. She will assume her new duties on October 28, 2007. Deb has worked at St. Luke's since 1994 in a variety of different capacities: clinical supervisor, designated charge nurse and staff nurse in the St. Luke's Boise coronary care unit. Deb has also served as the clinical patient safety specialist and most recently, the patient safety manager.
