**St. Luke's Wood River Board of Directors
Announce New Members**

Ketchum, ID (December 14, 2007) The St. Luke's Wood River Board of Directors recently welcomed five new members to its Board of Directors.

Cynthia Murphy who is the current chairperson of the Wood River YMCA; David Dingman, MD, is a retired Plastic Surgeon who served as the Assistant Chief of Surgery at the University Of Utah; Bob Henley, Sr. Pastor of the Presbyterian Church of the Big Wood; Terry Ring, owner of Silver Creek Outfitters; and Keith Perry, owner of Perry's Restaurant.

"We are thrilled to have these five join our board. Their expertise and commitment to serving those in our community make them great additions," said Morley Golden, Chairman of the Board. "Our journey toward becoming America's Finest Community Hospital will be enhanced by their participation."

The five new board members have hit the ground running. They are already attending committee meetings and are learning the impacts of the changing healthcare profession on our own community. "I believe Saint Luke's is a great asset for our community. I am looking forward to serving on the Board of this exceptional organization," says Keith Perry. "I agree," says Terry Ring, "I am honored to have been selected to serve the community on the St. Luke's Wood River Board and look forward to the challenges ahead"

The St. Luke's Wood River Board of Directors provides guidance for medical center policy, development and service enhancement. Hospital revenues are reinvested into our local health care services, facilities and equipment. St. Luke's is a not-for-profit community hospital, committed to providing health care to all those in need regardless of their ability to pay.
