Local Yarn Shop Teams Up to Warm Smallest Members of the Community

Meridian, Idaho (January 05, 2006) – The Yarn Shoppe in Old Town Meridian is teaming up with Plymouth Yarn Company, St. Luke’s Children’s Hospital, and local knitters to warm the heads of premature babies born at St. Luke’s. Local knitters will gather at the Yarn Shoppe to donate time to knit caps for our community’s smallest arrivals.

Local knitters from the Yarn Shoppe in Meridian will use their knitting skills and donated materials to provide warmth to these tiny babies. Plymouth Yarn Company joins this community endeavor by providing the yarn to knit these special caps. Nurses from St. Luke’s have joined with instructors at the Yarn Shoppe to bring local knitters together for this cause.

This special event will take place in the parlor of The Yarn Shoppe, 46 East Pine Street, in Old Town Meridian on Wednesday, January 18, 2006 from 6:30 to 8:30pm. The knitted “preemie” caps will be donated to St. Luke’s neo-natal intensive care unit. Knitters are encouraged to contact The Yarn Shoppe, 884-4885, before the event to assure space is available.
