

# We Want to Hear Your Story

Our team cares about what you have to say

First of all I want to thank the Nurses for their amazing care, that they do day in and out, Without the Nursing Staff My stay could of been worse.

And to be able to come home with this program and knowing that on the other end is a caring team, to help me with the recovery and to know that the Nurses do care, to help me get through the healing process.

Thank You

# We Want to Hear Your Story

Our team cares about what you have to say

After being Affected by this horriable virus we  
 are all facing Covid 19, that could of taken  
 my life. I'am very greatful for this program  
 because when I left the hospital and was not  
 coming home by myself I was ~~bring~~ <sup>coming</sup> home  
 with ~~me~~ <sup>wonderful</sup> Kind of Patient human beings,  
 complete stranger who monitor my health  
 at all time assuring, ~~making~~ <sup>making</sup> sure my health  
 was not worseing guiding me all <sup>the</sup> way  
 through. Calling with such caring words that  
 helped me feel that I was going to be okay.  
 Thankyou I'am very greatful from the gentleman  
 who walkced <sup>me</sup> step by step to help me learn how to use  
~~monitor~~ all this materials, to the young sweet <sup>lady's</sup> ~~woman~~  
 who spoke in such kind words (Not sure if ~~they~~ <sup>you</sup> were young)  
~~that~~ <sup>that</sup> help comfort my soul.
