## St. Luke's by the Numbers 2024 West Treasure Valley Overview

Our commitment to the West Treasure Valley continues to grow with St. Luke's Nampa Medical Center, St. Luke's Fruitland Medical Plaza, and clinics throughout Canyon County and in the Fruitland-Ontario area. We're dedicated to partnering with local nonprofits to improve the health of people in this rapidly growing and diverse region, from the more populated cities to the smaller, more remote rural communities.

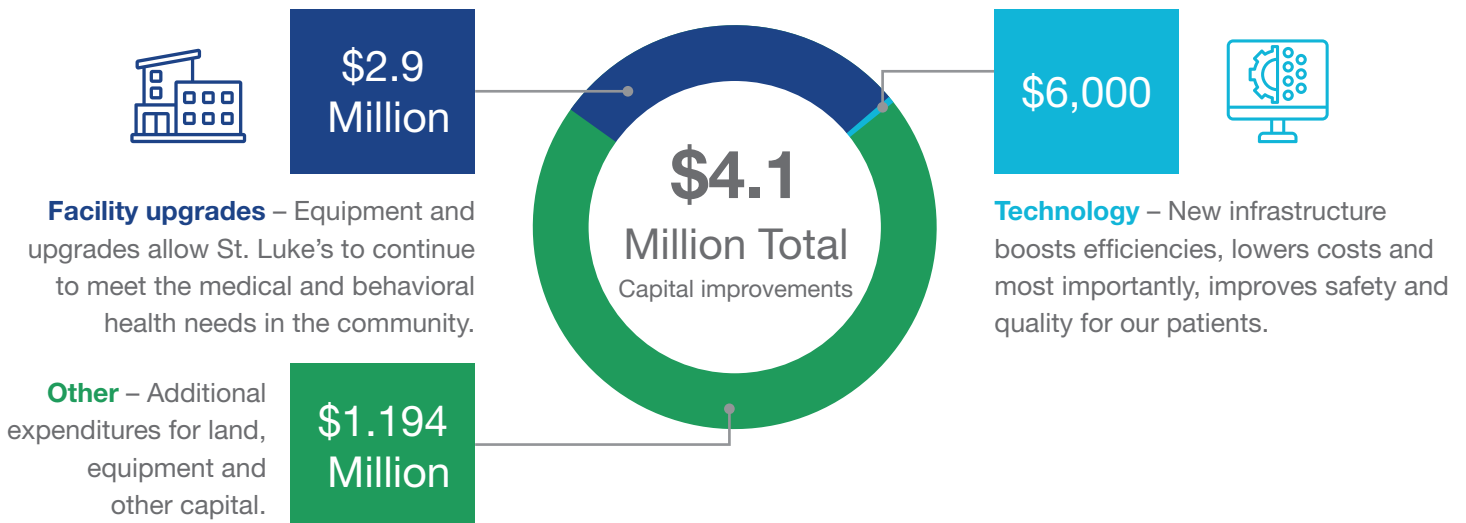

All numbers are current as of the fiscal year ending Sept. 30, 2024.

### What do capital improvements include?

One hundred percent of St. Luke's net revenue is reinvested into land, facilities, equipment and other capital supporting the hospital system's mission.

St. Luke's most significant impact on the Meridian, Eagle, Nampa and Fruitland population health area is bringing high-quality health care closer to home. In the past year, Nampa's Emergency Department has expanded, and telemetry beds and ICU capacity in Meridian have been increased to better meet the needs of our growing communities.

— Rene Palloti, Vice President of Population Health, St. Luke's

### Investments in Care and Services

\$30.2 Million

Medicare
