As the only Idaho-based, not-for-profit, community-owned and community-led health system, St. Luke’s is dedicated to our mission to improve the health of people in the communities we serve. From our founding in 1902, to our establishment as a health system in 2006, to today, St. Luke’s has long been a leader in quality care and a vital partner in addressing community health needs.

St. Luke’s Strategy

QUALITY
Advancing our position as the go-to provider for consumers by delivering safe, effective care and an exceptional patient experience.

ACCESS
Evolving how we deliver care to best meet the health needs of the people we serve when, where and how they desire.

AFFORDABILITY
Ensuring the cost of high-quality health care is reasonable in the communities we serve, that it is understandable, and that it creates certainty for health care consumers.
