St. Luke’s is the only Idaho-based, community-owned and community-led health system in the state. With a 117-year history in Idaho, St. Luke’s is dedicated to our mission, “To improve the health of people in the communities we serve.” That means not only treating people when they’re sick or hurt, but helping them be as healthy as possible.

Strategy 2020: Our Vision for the Future

POPULATION HEALTH
We will transform how we work to deliver on population health by improving outcomes and lowering costs.

ST. LUKE’S HEALTH PARTNERS
We will be our communities’ preferred provider by delivering coordinated, affordable and accessible care.

COMMUNITY HEALTH
We will be a trusted partner as we work with our neighbors and friends to support healthy communities.
